

Public Authority::Balmer Lawrie & Co. Ltd.

The transparency audit of your organization has been carried out with reference to the audit report submitted to the commission. On perusal of your audit report the following has been observed.

- 1. Training of CPIO/APIO**
- 2. Name & details of - (a) Current CPIOs & FAAs, (b) Earlier CPIO & FAAs from 1.1.2015**

The above point's needs urgent attention of the public authority. These issues may please be displayed at the respective websites of the public authority so as to avoid/ mitigate the RTI application.

It is also proposed that the public authority should periodically organized seminars/ conferences on the RTI Provision so as to enable the concerned officers in handling the RTI matters properly.
